

LA VIE EN VIOLETTE®

FAMILIA BRESSIA

BRUT - BOTTLE METHOD

MALBEC

Seductive and vibrant with a violet crown, this sparkling wine captivates with its fleeting yet elegant persistence. An original sparkling wine crafted using the “Bottle Method”, specially designed for our bubble wines.

Aromas of plums, blackberries, cherries, and cassis are delicately intertwined with the yeasts that gave rise to its creation.

On the palate, it is refined and lifted by fine bubbles - accomplices and carriers of its fresh, fruity character and elegant style.

Serve between 8°C and 10°C.
