

# MALBEC

Variety	100% Malbec
Origin	Uco Valley, Mendoza - Argentina
Altitude	1.400 meters above sea level
Vine Training	High Vertical
Soil Type	Loam / silty and alluvional
Density	5.500 plant per hectare

Color: Ruby red color with good intensity with black and violet tones. Outstanding. Nose: Very fruity, with bouquet of cherry and raspberry, red and black fruits. Slightly spicy with notes of red pepper. Palate: Very fresh, fruity and balanced body. Ripe and sweet tannins. Harmony: Very harmonious and very good varietal typicity. Persistent.

THE VOICE OF THE EARTH SPEAKS TO US THROUGH THE GRAPES WITH A CLEAR AND PRECISE LANGUAGE THAT BECOMES THE EXPRESSION OF EACH VARIETAL. SYLVESTRA SHARES THE DNA OF BRESSIA BUT WITH THE YOUNG, FRESH AND RELAXED SPIRIT OF THE SECOND GENERATION. WITH DEEP ECOLOGICAL AND NATURAL CONVICTION, SYLVESTRA TRANSLATES THE NATURAL MESSAGE OF GRAPES INTO WINES THAT PAY HOMAGE TO THE TERROIR THAT DETERMINES THEIR UNIQUENESS AND PERSONALITY. EACH VARIETAL, LIKE EACH ONE OF THE BROTHERS OF A FAMILY, HAS A CLEAR AND DEFINED STYLE THAT DISTINGUISHES THEM BUT WITH AN IMPRINT OF FRESHNESS AND AROMATIC EXPRESSION THAT IS COMMON TO ALL.
