

VIÑA ÚNICA — CABERNET SAUVIGNON

Viña Única was the first wine we ever produced and remains close to our hearts. We strive to reflect our exceptional terroir and our winemaker's creativity each year.

Viña Unica Cabernet Sauvignon is a bold and powerful red wine, with generous fruit, chalky tannins and elegant oak use. On the nose, it is very aromatic, with dark fruit, violets and dried oregano notes. On the palate, it is juicy and bright fruited, with a chocolate underlayer. Tannins are chalky and textural and are in outstanding balance with its bright acidity.

VINTAGE HIGHLIGHTS

2022 was a long and dry growing season of outstanding quality. Veering on the cooler side of average temperatures, yields were still plentiful, and grapes achieved ideal ripeness throughout a very long cycle. Rainfall was limited, but abundant glacial water and sporadic showers were timed perfectly to help the vine's balance. After cooler autumn and ideal growing conditions in February and March, we were able to produce wines with remarkable quality.
